BUSINESS SUMMARY:

A sentence or two that summarises who you help or the service / goods you provide.

GOALS & OBJECTIVES:

What are your initial goals and objectives for your business e.g. to make a certain amount in dollar sales within the first 6 months, to grow my mailing list to a certain level, to have a certain number of social media followers. Adding specific numbers and time frames will help solidify your goals. Goals can also be more personal such as help a certain number of people with a problem, connect with a certain number of other people in your field, find a sense of purpose or spend more time with your family. You can write all of your goals down but focus on achieving about 3 at any one time.

PRODUCTS / SERVICES:

A brief description of what you plan to sell.

OPERATIONS OUTLINE:

Departments that cover all of the necessary functions for your business e.g. manufacturing, admin, finance. This will help you think about all of the operations that are needed for your business to run properly and is helpful for planning and strategy.
